

Dance the language of the heart

Friedel Kloke-Eibl & Saskia Kloke

Friedel Kloke-Eibl and Saskia Kloke are returning to Portugal!

17 - 20 June 2027

Hotel Suave Mar · Esposende

"Out of the silence of the attunement an idea was BORN IN MY HEART: the idea of 'MEDITATION DES TANZES – Sacred dance': dance as a walking into silence and as a meditation in movement.

We suffer when our path lacks heart, and at times we may feel that our life is meaningless. It is important to pause every now and then – as we are doing in this workshop – in order to set ourselves upon the path of the heart."
